

## **EMERGENCY COURT ORDERS**

The divorce or legal separation process takes a long time. Courts are busy, attorneys have schedules to meet, paperwork takes time to prepare and the entire process can take years in complicated matters.

- Child custody, child support or visitation
- An order prohibiting the taking of a child or children out of the state or country
- Permission to move away
- Medical or insurance coverage for you and/or the children
- Payment of attorney fees
- An order prohibiting either partner from selling marital assets
- An order requiring the abusive spouse to move out of the family residence
- An order protecting you and the children
- Ex parte orders can be obtained to shorten the time required for court hearings.

If you cannot afford an attorney Mr. Radoff will be happy to prepare the necessary documents for you to represent yourself and provide you with the legal advice you need in any court in California.
